## PG BISON PRODUCT RANGE UPDATE – EXIT DESIGNS

Wrapping up four jam-packed months of events, the Gallery 5 Road Show has been a resounding success. Again, thank you to everybody for the enthusiastic support shown for the new range.

As mentioned, we have selected certain items to be discontinued. This ensures our range is able to develop and stay abreast of trends, meeting our customers' needs, while still remaining manageable.

Here is the full list (including previously published names) of all discontinued items.

<b>Formica LifeSeal Worktops - Exit designs</b>	<b>Forecast cover</b>

### Important to note:

We recommend prioritising ordering stock of these items, while they are still available. Exit range items are sold on a first-come, first-serve basis and once stock is depleted, we are unable to accept any further sales orders for that item. There may, however, still be stock in the distribution network and we suggest contacting your preferred PG Bison stockist.

The new PG Bison Gallery 5 product range is available for you to order. Please don't hesitate to contact your local sales representative to view samples and place your orders.

We remain highly appreciative of your continued support.
